

PAVERS

SASSI

SASSI is the innovative cobbled paving which combines **classic** with **contemporary**. The "stones" slightly rounded along the perimeter, have a flat surface that makes the path easy. The surface effect is "split stone", our trademark.

Size
 20x40 cm

Thickness
 8 cm

Light load

High freeze resistance

Very high abrasion
 resistance

Posibility with
 mechanical means

Draining & filtering

FINISHES

FINISH NATURA
